3 and 4-year-old 15 hours offer

All 3 and 4-year-olds in England can get 570 hours of free early education or childcare per year, usually taken as 15 hours a week for up to 38 weeks of the year. Some 2-year-olds are also eligible:

- the funding is flexible and can be accessed at up to 2 childcare sites for up to 10 hours a day
- if 15 hours is too much for your child you do not have to use the full hours, this can be built up over time
- when you start your funded place, you will be asked to sign a parent agreement which states the terms and conditions of your child's placement
- if there are no places you will need to re-apply at another setting
- if your child attends a school nursery there is no guarantee this will entitle them to a school place

3 and 4-year-old Extended 30 hours offer

Some 3 and 4-year-olds will be able to get 30 hours funded childcare or education. The additional 15 hours of funded childcare is available for families where:

- both parents are working (or the sole parent is working in a lone-parent family)
- each parent earns at least the equivalent of 16 hours a week at the national minimum or living wage and less than £100,000 a year. Find out when you can claim for 30 hours
