

# Year 3 Power of We Tasks for the Summer Term

## Our Sustainable Development Goal this year is:

This term, as part of the Power of We, it is over to you to make a positive difference linked to our sustainable development goal!

Here are some ideas of things that you can do to get involved:

- Give to a local foodbank.
- Donate clothes that no longer fit you to a clothes bank
- Sell your old toys or clothes/do a sponsored event to raise money for a food bank/charity that fights poverty.
- Make donations to a friend/family member/neighbour in need.
- Write to your MP or even the Prime Minister to ask them to help people living in poverty with ideas of what they can do to help
- Volunteer at a local foodbank.

Please speak to an adult at home before doing any of the ideas to make sure you are safe.

When you have completed one of the tasks (or something else), ask your parent or carer to email a photo of you completing the task to [year3@barnehurstfederation.co.uk](mailto:year3@barnehurstfederation.co.uk) and be ready to talk to your teacher and/or class about what you did!

# You've got the POWER!
