

POWER OF WE

YEAR 1

Our Sustainable Development Goal this year is **Life on Land**. This term, as part of the Power of We, it is over to you to make a positive difference linked to our sustainable development goal!

Here are some ideas of things that you can do to get involved:

- Make a bird feeder for your garden.
- Volunteer at a local animal rescue, farm or zoo.
- Take responsibility for caring for your pet at home linking to the 5 animal rights.
- Help walk a dog in your local community.
- Make an enrichment toy for a particular animal.
- Plant plants in your garden for pollinators and birds.
- Make an outdoor space that provides fresh water.
- Make a mini bug hotel in your garden or at the park
- Create a "home made pond" to encourage wildlife.
- Donate items such as bedding or food for a specific charity or cause linked with animals.
- Raise money for an animal charity doing a sponsored walk or bake sale.

Please speak to adult at home before doing any of the ideas to make sure you are safe.

15 LIFE ON LAND

THE
POWER
OF ME
WE

Ask your parent or carer to email a photo and a short blurb of what you did to:

year1@barnehurstfederation.co.uk as this will form part of our celebration assembly.
