THE FEDERATION OF BARNEHURST SCHOOLS

Friday 5th November 2026

Dear Parents and Carers,

A very warm welcome back to everyone! I hope you all had a wonderful half-term break and enjoyed some Halloween fun and fireworks celebrations, if you chose to celebrate!
It has been so lovely to see the children back in school, full of smiles and excited to share their half-term adventures. As the days are getting colder, please do remember to send your children in with a warm, named coat each day so that they can continue to enjoy the outdoors.

We have a wonderfully busy and exciting half-term ahead! Next week, we will come together for our special Remembrance commemorations, before moving into all the sparkle, excitement and magic of our Christmas events and celebrations.

This is always such a special time of year in school, and we are really looking forward to a busy, joyful and truly magical few weeks ahead, filled with wonderful experiences and special memories for our children.

Thank you, as always, for your continued support. It's lovely to have everyone back!

From Mrs Hunter and The Federation of Barnehurst team.

Staffing update

Karma, our wrap around care supervisor will be taking on a new role in the base to give her further time to spend with her grandson. This means we have an opportunity for a new wrap around care supervisor.

For many of our families, breakfast and after-school club mark the start and end of the school day. We are looking for a warm, organized and dependable wrap-around Care Supervisor to lead that provision for children aged 4 to 11 across our infant and junior schools.

They will run the club day to day, lead a small team of wrap-around care assistants, and make sure every child feels safe, settled and happy, whether that means a calm breakfast, a game outside or a quiet corner to read.

If you are interested or know of anyone who would be please ask them to apply here.

Community

Following previous communication about our school working with the Mental Health Support Team (MHST), we are pleased to share details of an upcoming webinar that may be of interest to you.

Understanding Low Mood Webinar

📅 Wednesday 11th November

The MHST continues to offer a programme of monthly webinars for parents & carers. These sessions are now available to families from all MHST primary schools throughout the year, with content adapted to support parents and carers of children and young people of all ages.

This month's webinar will focus on Understanding Low Mood, providing helpful information, practical strategies and guidance on how to support children and young people who may be experiencing low mood.

Please see the attached flyer for further information, including details on how to register.

We encourage anyone who may find this topic helpful to attend.

Governors

Barnehurst Governors

At Barnehurst, our Governors play a vital role in supporting the school and helping us provide the very best education for every child. Working closely with the Head Teacher and Senior Leadership Team, the Governing Body helps to shape the strategic direction of the school and acts as a supportive yet challenging "critical friend."

While Governors are not involved in the day-to-day running of the school, they are responsible for holding school leaders accountable for the quality of education, the wellbeing of pupils, and the progress children make during their time with us. Governors also appoint the Head Teacher and ensure the school's vision and values are reflected in all that we do.

Throughout the year, Governors attend meetings, visit the school, monitor key areas of development, and carry out important statutory responsibilities. They take an active interest in how school funding is used, ensuring resources are invested wisely and aligned with our improvement priorities.

Our Governors come from a wide range of professional backgrounds, including education, engineering, project management, recruitment, and many other fields. This diversity of experience helps bring valuable perspectives to the school. Although they each bring different skills and expertise, they all share one thing in common: a passion for supporting the children, staff, and wider community of Barnehurst.

We are incredibly grateful for the time, commitment, and dedication our Governors give to the school, helping us to ensure that every child has the opportunity to achieve their full potential.

Each newsletter we will be doing a goveror spotlight. Last term we introduced our Chair Tom Ryan. We will continue as we introduce each newsletter. See below the names of the our governorning
