is progressing, their targets for the year, any additional support your child receives and how we can work together to help your child succeed to their fullest potential.

Other appointments:

Mrs. Shields and will also be available during the evenings should you wish to meet with her. Mrs. Woodham (Deputy Head) and Miss Tragheim (Senco) will be available on Tuesday 12th March during Parents' Evening but should you wish to make an alternative appointment with her, please contact the office to arrange.

I don't have any worries, do I have to come?

Parents evenings are a really good way of showing your child that you value their education and finding out about what they do at school. They are also important for us as they enable us to get to know your children better and so teach them more effectively. Children who see the school and family working together get a lot more out of school and that is an outcome we all want.

I look forward to seeing you soon.

Yours sincerely,

Mrs. L. Shields
