# Hey Gang!

## Happy Wednesday or WED-NES-DAY!

We hope you enjoyed yesterday's learning and also our voice overs! Just know we hate doing voice overs (your voice always sounds strange to you when you record it) so we must really like you lot to be doing it!

*Believing, Achieving and Succeeding Together*

# All about today!

What month are we in?

What was last month?

What will next month be?

If yesterday was Tuesday, what is today?

What day will it be tomorrow?

If yesterday was the 5<sup>th</sup> what is today's date?

What will tomorrow's date be?

What is the weather like?

What season are we in?

Listen to our songs!

# Spag

This week we will be focusing on using capital letters and full stops in our writing. Unfortunately, Miss Taylor is not very good at using full stops and capital letters! Can you help fix these sentences?

- ▶ miss dallimore is kind
- ▶ we are going to write a song
- ▶ i am going to have a teddy bear picnic in the garden

Once you have changed the sentences, either by writing them in your book or discussing what is wrong with a grown up or sibling, check the next page for the answers!

## Full Stop

A full stop is used at the end of a sentence. Every time you see a full stop, you must stop!

I must stop at the end of this sentence.

You might have noticed that I have been very cheeky... we must remember a capital letter for names as well! If you did not remember today, keep a look out tomorrow and see if you can spot the challenge then!

# Writing

- ▶ We are going to continue looking at the story 'The Robot and the Bluebird'. Watch the video below up to 32 seconds.
- ▶ <https://www.youtube.com/watch?v=RwoZ5ZVpfiU>
- ▶ Once you have watched up to this point, think about the robot. How do you think he is feeling? Why do you think that? How would you feel as the robot.
- ▶ Your task today is to pretend to be the Robot. Write a sentence or two to tell me how you are feeling. Why do you feel that way?

# Phonics

Today in phonics we are going to start with some tricky words. Follow the link to the phase 3 tricky words song. <https://www.youtube.com/watch?v=R087lYrRpgY>

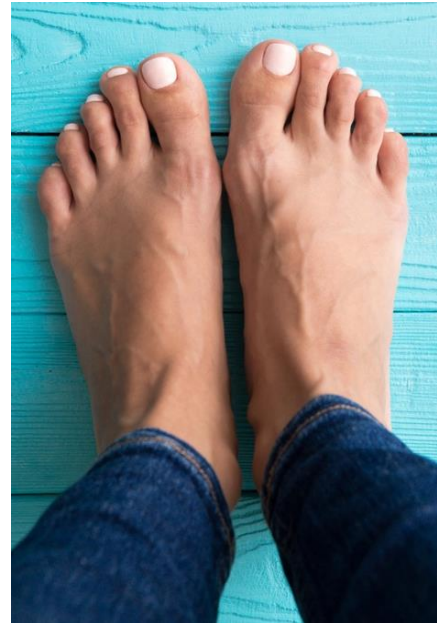

I wonder... can you use some of these words in a sentence. Pick 2 tricky words that are different from yesterday and say them in a sentence. They are not too tricky!

They  
are just  
tricky words!

# Phonics

Our phonics sound today is ee. Can you look at the three pictures below and write the word to match the image? Make sure you sound it out. Can you think of any other words with the ee sound in it?
